

**Material Handling & Storage Solutions-**  
**Trolleys:** FIFO Racks in pipe & joints, MS trolley with custom designs.  
**Workstations:** Ergonomic assembly, packing station, inspection workstations (Including Aluminium Workstations for assembly line)  
**Scissor Lifts:** Hydraulic, electric  
**Stackers:** Manual and electric.  
**Cranes:** Jib cranes, overhead cranes.  
**Storage Solutions**  
**MS Heavy Duty Racks:** Pallet racking, Cantilever racks. Mezzanines  
**Shelving Systems:** Industrial shelving rack

**Conveyors & Automated Material Flow Systems:**

**All types Industrial Conveyors:** Belt, Roller (gravity, powered), Chain, Slat, Screw, Vertical, Overhead, Accumulation, Pallet Conveyors.

**Industrial Consumables & Ancillary Products:**

**Industrial Bearings:** ARB Industrial bearings, various types (ball, roller, plain, thrust).

**Industrial Fasteners:** Caparo make, TVS (bolts, nuts, screws, washers, rivets), foundation bolt.

**Industrial Fabrication & Safety Components:**

**Custom MS & SS Fabrication Works:** Precision welding, bending, cutting, machining of Mild Steel and Stainless-Steel components.

**Fencing Guards:** Machine guarding, safety fencing for machinery and robotics.

**Pressure Safety Devices**

**Rupture Disks & Explosion Vents:** Make Flammer, BS&B, Local make.

**Safety Relief Valves:** For overpressure protection.
